### Constitutional Resolutions up for Ratification

*Beaverton Lodge Vote on Thursday, September 4, 2014*

At the 150th Grand Lodge Session in New Orleans, Louisiana two resolutions were adopted and must be ratified by the membership of the Local Lodges: 2014-01 (allowing Grand Tiler to be an appointed position) and 2014-02 (permitting a Texas Lodge to become a member of the New Mexico Elks Association). Section 17.030 of the Statutes Annotated states, in part:

“Each Lodge shall, at its first regular meeting in September, vote upon the same. A majority vote of Members present and voting at the regular Lodge meeting shall determine whether the Lodge approves or rejects the proposed amendment. The Lodge Secretary shall certify to the Grand Secretary whether the Lodge approved or rejected the proposed amendment on or before the first Monday in October.”

Early in August, a cover letter, the Resolutions and the two ballot return sheets were sent to the Lodge Secretary. 15078 In order to be counted, immediately after the first regular Lodge meeting in September and prior to the first Monday of October, the ballot return sheets must be signed by the Exalted Ruler and Secretary, the Lodge seal affixed, and returned to Grand Lodge.

## EXALTED RULER Al Ashford PER

Well, we made it through the busiest month. Hopefully everyone had a good time at the picnic and car show.

The outdoor meeting last month was a great time and lots of fun. The officers did a good job of entertaining the visitors, and the food sold out.

Now is everyone ready for some football? We'll have the TV games on and drink specials during the games. We also have the Pac 12 on the TV — come out and watch your favorite teams.

The main thing is to come out and enjoy your Lodge!

*Fraternally,  
Al Ashford PER, Exalted Ruler*

## a little off the top **Don Bottomley** Leading Knight

Looking back on the year so far, I can't help but feel great about the future of our Lodge. The plans for our new building are progressing, and we have initiated some great new members. Everyone had a blast at the car show and picnic and the other great events we've held. Come down and say hello, and help make the rest of the year as great as the beginning!

## fyi! **Michael Jewett** Loyal Knight

I am proud to have been an active participant in the Order of Elks. I have worked for and supported our Lodge for many years, and am proud that you elected me to the position of Loyal Knight. Because of health problems, I can no longer fulfill the duties of this office, and have submitted my resignation as of August 14, 2014. I will of course continue to support and do what I can for our Lodge.

## reflections **Diane Clendenin** Lecturing Knight

Hello once again to all of you! Hope all is well with everyone. When you read this . . . August will have zipped by, the kids are back in school. Oh brother! What to do? May I suggest that you join us at "our" Lodge for dinner on Saturday night? As you have read previously, we have a new cook, Drew, who has been doing an awesome job in the kitchen. We are now offering a variety of new dishes to try. Folks who have come in have had only good things to say.

If Saturday dinner is not your "cup of tea," then do come in and enjoy the other happenings we have going on at the Lodge. Hope to see you!

## from the chairman **Linda Beymer** Trustee/Chairman of the Board

2014 is getting closer to the end and there is still much to do, and much fun to be experienced by everyone! 16178 The picnic is completed as is the annual car show; the holiday parties are being planned, preparations for Christmas Baskets are well underway. There is also a lot of work to be done—we are working to get the storage areas cleaned out of things that have accumulated over many years as soon we will be moving to a new building! We are going to have a great year with lots of changes, and I hope you will come and enjoy!

Here we are in September. School has started, Labor Day Holiday, and we are back to regularly scheduled meetings the first four Thursdays of each month. Our picnic was a huge success and the car show was once again the biggest around.

We are now heading into the holiday season. Halloween, Veterans Day, deer and elk hunting, Thanksgiving, and then our biggest project of the year, Christmas Baskets. We have many activities at the Lodge for our members to volunteer. If you are a new member or member who has many years at the Lodge, please consider helping with some of these activities.

Our RV overnight activity has been very busy this summer. Travelers from as far away as Florida and as close as Salem, Oregon. When you are in the Lodge or bar area and see someone that perhaps is not a member here, say "Hello." Remember we are the friendliest Elks Lodge in the state of Oregon.

We want to update you on our prospective Lodge building project. Our application for the project to Washington County Department of Land Use and Transportation is still in process. We still expect the hearing to be held in October.

We continue to report updates at regular Lodge meetings and at Board of Directors/Steering Committee meetings. Our PER Planning Committee times/dates are posted in the Elkhorn and on the bulletin board in the bar. Members are welcome to attend as guests.

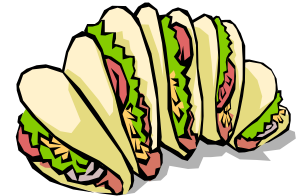

Of course, the ultimate approval to proceed with the building project will come from you, the members, and from Grand Lodge.

## ELK of the MONTH

September 2014

**Penny Douglas**

Congratulations to our September Elk of the Month, Penny Douglas, who joined the Elks November 7, 2002. Her history with Beaverton Elks preceded her membership; she participated with her parents, Milt & Ruth Thompson for many years. She was President of the B.E.L.L.E.S. in 1998.

She currently participates in many areas, including Chairman of the Roving Elks, Chairman of Youth Activities, Bingo Hostess, and performing as Mrs. Claus at Breakfast with Santa. She works the cake/watermelon wheel at the Lodge Picnic, fills in occasionally as Duty Officer, helps with decorating and door duty, plus she even changes the lettering on the Canyon Street sign. If an event is happening at the Lodge, Penny is probably there helping!

Penny is also active in our Beaverton community, and was recently nominated for a 2014 Service to Beaverton Award, for her outstanding service as Vice-Chair of her Vose Neighborhood Association Committee. She is currently raising money and collecting books to help children at Vose Elementary School start their own personal library.

Good job, Penny, and thanks!

*To our absent members!  
An Elk is never forgotten . . .*

Greetings,

Summer is quickly coming to a close. Don't miss out on our trip to Silver Spur RV Park in Silverton over the weekend of September 19. If you like, you can arrive early on Thursday, September 18. Bob Strong is making the arrangements. We will have a potluck on Friday night, and another on Saturday night to finish up the leftovers. 8686 It works well. There is a catch and release fish pond, so bring your poles. There is also free cable TV, free WiFi, a game room and library. If that doesn't keep us busy enough, we can hike at Silver Falls or visit the Oregon Garden.

The trip to Nehalem Bay State Park was a blast as usual. There were lots of kid activities and socializing for the adults. The beach and the bay were perfect. A quick trip to Manzanita provided some downtown action and excitement.

Thank you to Drema and Stuart Babicky for providing a book of parks and camping areas in the Northwest. We can start early to line up trips for next year, and visit some new places.

Happy Trails,

Penny Douglas

Message from the  
New Grand Exalted Ruler  
John D. Amen

**The successful Lodge  
emphasizes teamwork**

It is well recognized that an organization reflects the persona of its leader. In our Local Lodge structures the Exalted Ruler is President and Chief Operating Officer. It is imperative that this leader have the ability and motivation to get things done through others. There are simply too many things in motion for the Exalted Ruler to handle them all, in addition to presiding over meetings. The one power that an Exalted Ruler has — and how this power is used will determine a good year or be the cause of a bad year — is the appointment of committees. As leaders of your organization, choose your committees well and you will have a smooth and successful year.

Officers, committees and Members must all work together for the success of the Lodge. An authoritative management style rarely works well in a volunteer environment. The phrase that “it is much more effective to use honey as an incentive rather than vinegar” exemplifies an effective management style.

I frequently hear the complaint that only 5 percent of the Members do all the work. If that concern applies to you than on your next project go to inactive Members, call them on the telephone and ask for their help. You will be surprised at how many Members were simply waiting for someone to invite them to become involved. A good leader recruits the personnel needed to accomplish the goals of the Lodge.

In addition you must constantly reach out to those inactive Members to keep them interested and remind them why they joined your Lodge in the first place. One easy and effective tool for this purpose is your Lodge newsletter. Be sure every issue has at least one article and photo of a community service or charitable act performed by your Lodge Members. An inactive Member who sees that the Lodge is performing a useful community service is much more likely to value membership and continue to support his or her Lodge with annual dues.

Again, be sure to carry a tri-fold membership application — a propitious moment for inviting someone to join can be fleeting and lost if there is no paperwork handy.

## Scholarship season is here for filing applications online

ENF Most Valuable Student and Legacy Awards scholarship applications are now online. Visit [www.elks.org/enf/scholars](http://www.elks.org/enf/scholars) for deadlines, applications and more information. To advance MVS scholarship applications in judging, each Lodge must have a Scholarship Coordinator who can access the online MVS Judging Dashboard. (Our Lodge Scholarship Coordinator is Rod Lilly.) Questions? E-mail [scholarship@elks.org](mailto:scholarship@elks.org).

**Engaging Elks scholars in service** – To better connect Elks scholars with their Elks family, all 2014 Legacy Awards recipients are required to serve with an Elks Lodge before they can receive their scholarship for next year. These scholars may be contacting your Lodge for service opportunities, so please welcome them! Don't forget, if we engage them now, today's Elks scholars can be tomorrow's Elks. For a video featuring three Elks scholars who recently joined after getting involved with their Lodges, visit [www.elks.org/enf](http://www.elks.org/enf).

**Toe the line** – Hoop Shoot season is here! Athletes ages 8 to 13 are lining up at free throw lines across the country to advance from Lodge to District contests. Don't miss any of the action. 9566 Visit [www.elks.org/hoopshoot](http://www.elks.org/hoopshoot) to follow the road to Springfield, MA, for the National Finals.

**Coming soon: ENF Month!** Has your Lodge planned a celebration or fundraiser for October's ENF Month? It's not too late! Help the ENF celebrate stronger communities by joining the festivities.
